The Fourth Day

(Asleep In The Gas Station)

ANNOUNCEMENT – IMPORTANT NOTICE!!!!

Starting today, Grumbcats are being completely removed from the story. The entire species died in the catastrophe with bomb. This is along with Domain Expansions ALONG WITH OTHER “MEME” POWER SYSTEMS being removed. IT WAS MAINLY FOR FUN AND SOMETIMES HELP ON FOR TOO LONG. There will still be references to other forms of media as this games main premise is to entertain (MEME POWERS WILL STILL EXIST BUT NOT IN CANON). Although, we are going to try and take a more serious tone, this could mean more cuss words (censored) and some crazier stuff, so be advised. Thank you - Max, Creator of The Kitty One

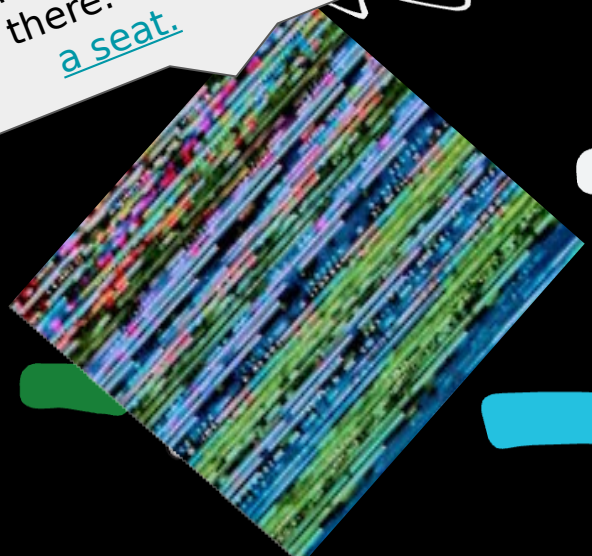
a big hole in the wall!! i should go inside of it.

another tear in reality,
i hope hannibal made this one.

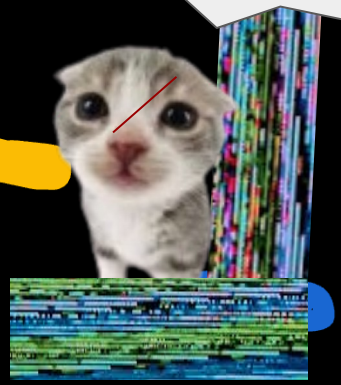
wsg hannibal, idrc if this is important but i need to go back to earth rn. don't have time for games

trust this is more important than whatever you got down there. here, take a seat.



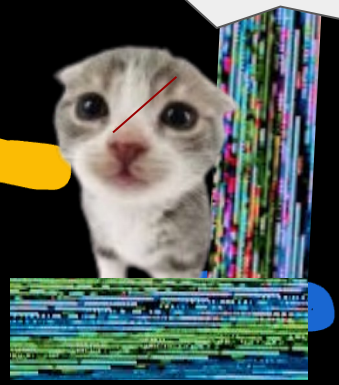
the virus that infects me, the glitch, is becoming unstable. the glitch is more than just me, it’s everything. you have to stop me if it becomes out of control

i’ll listen but make it quick, what do you want?



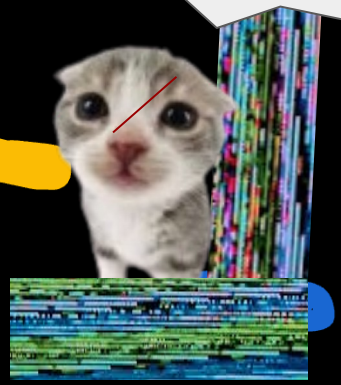
there’s nothing you can do, in a few hours i should be overtaken by the glitch, so i’m going to give you the essence of the glitch.

SH@#. HOW-HOW DO I STOP YOU DAWG.



i'll imbue it into this pan. It will give you the ability to wield the glitch power and tear through reality itself. find "the refiner" and turn it into a weapon. good luck bandana

i'll do it and then i'll stop you, i promise hannibal



I have noticed sharky looking like a sh**y roblox avatar ig that explains it

One last thing, if sharky looks like a human then ignore it. It is one of his goons, the fake sharky will act like the real one, but it will look more like a human.

BANDANA LOOK OUT!! IT IS A GLITCH ENTITY!!
HERE, TAKE THE PAN.
BEAT HIM AND LEAVE.
FIND THE REFINER.
WHAT!!

Oh great another monster type thingy. Here comes another fight.
